

USER MANUAL

Tech Stack: PHP(Laravel), MySQL, MongoDB

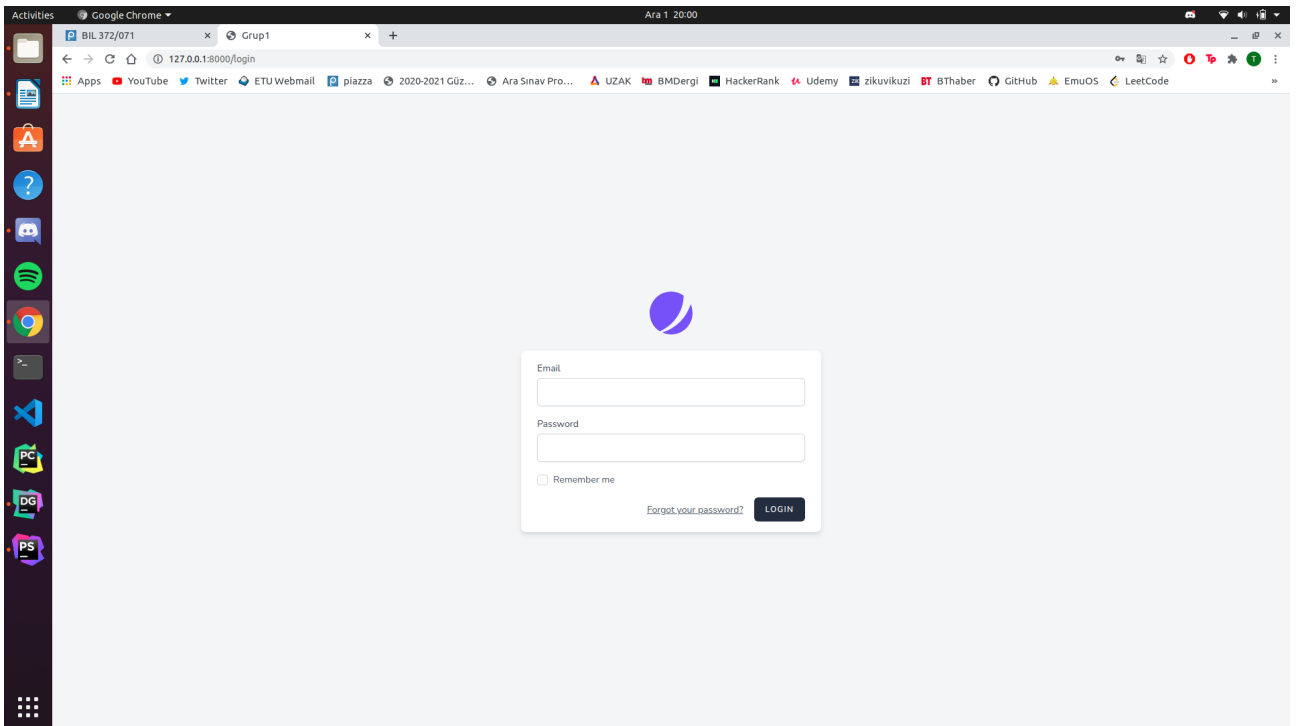

Database Schema Diagram:

- Uygulama açıldığında bu giriş ekranı görüntülenmektedir.

- Login ekranı bu şekildedir. Bu kısımda sisteme kayıtlı kullanıcılar giriş yapabilmektedir.

- Register ekranı bu şekildedir. Bu sayfadan sisteme kayıt olunabilmektedir.

The screenshot shows a web browser window with the address bar displaying '127.0.0.1:8000/register'. The page features a registration form with the following fields: Username, Email, Password, and Confirm Password. Below these fields is a dropdown menu labeled 'Select user role' with the option 'Select Role' visible. At the bottom of the form, there is a link 'Already registered?' and a 'REGISTER' button. The browser's sidebar on the left shows various application icons, and the top bar indicates the time as 'Ara 1 20:00'.

- Sisteme kayıtlı kullanıcı başarılı şekilde giriş yaptıktan sonra ana menü ekranı aşağıdaki gibi görüntülenmektedir.

The screenshot shows a web browser window with the address bar displaying '127.0.0.1:8000/dashboard'. The page features a dashboard with a welcome message from Laravel Jetstream. Below the message, there is a grid of four links: Documentation, Laracasts, Tailwind, and Authentication. The browser's sidebar on the left shows various application icons, and the top bar indicates the time as 'Ara 1 20:01'.

Laravel Jetstream

Welcome to your Jetstream application!

Laravel Jetstream provides a beautiful, robust starting point for your next Laravel application. Laravel is designed to help you build your application using a development environment that is simple, powerful, and enjoyable. We believe you should love expressing your creativity through programming, so we have spent time carefully crafting the Laravel ecosystem to be a breath of fresh air. We hope you love it.

Documentation Laravel has wonderful documentation covering every aspect of the framework. Whether you're new to the framework or have previous experience, we recommend reading all of the documentation from beginning to end. Explore the documentation →	Laracasts Laracasts offers thousands of video tutorials on Laravel, PHP, and JavaScript development. Check them out, see for yourself, and massively level up your development skills in the process. Start watching Laracasts →
Tailwind Laravel Jetstream is built with Tailwind, an amazing utility first CSS framework that doesn't get in your way. You'll be amazed how easily you can build and maintain fresh, modern designs with this wonderful framework at your fingertips.	Authentication Authentication and registration views are included with Laravel Jetstream, as well as support for user email verification and resetting forgotten passwords. So, you're free to get started what matters most: building your application.

- Conferences&Approval sekmesinden Submission Deadline'ı geçmemiş olan konferanslar listelenir. Chair'lar Actions sekmesinden varolan konferansı düzenleyebilirler.
- Sağ üstte yer alan Search Bar'dan konferans isimlerine göre arama yapılabilir.
- Make submissions kısmından konferanslara submission yapılabilir.

- Sağ üstte yer alan username'e tıklanıp User Info seçildiğinde giriş yapan kişi kendi bilgilerini düzenleyebilmektedir.

The screenshot shows a web application interface with a sidebar on the left containing various icons. The main content area displays a user profile form for 'BİL 372 - Uygulama Ödevi 2 & Grup 1'. The form includes fields for Salutation (Mr.), Name (Talha), Surname (Ünal), Kurum (Medical Informatics Group School of Biotechn), İkinci e-mail (talha2@gmail.com), Telefon (05059594562), Fax (+44 161 999 8888), URL (http://www.example.com/believe/bit?bells=bc), and Adres (Etimesgut, Elvankent). A dropdown menu is open next to the username 'talha', showing options: Manage Account, Profile, User Info, and Logout.

- Sağ üstte yer alan username'e tıklanıp User Info seçildiğinde giriş yapan kişi kendi name, email, password bilgilerini güncelleyebilmektedir.

The screenshot shows a web application interface with a sidebar on the left. The main content area displays a 'Profile Information' section with a subtitle 'Update your account's profile information and email address.' It includes fields for Name, Email (talha@gmail.com), and a 'SAVE' button. Below this is an 'Update Password' section with a subtitle 'Ensure your account is using a long, random password to stay secure.' It includes fields for Current Password, New Password, and Confirm Password, along with a 'SAVE' button. At the bottom, there is a 'Browser Sessions' section with a subtitle 'Manage and logout your active sessions on other browsers and devices.' It lists a session for 'Linux - Chrome' on '127.0.0.1, This device' and a 'LOGOUT OTHER BROWSER SESSIONS' button.

- My Submissions sekmesinden submission'ı submit eden kullanıcılara submission'ın özellikleri gösterilmektedir.
